PURE POWER WRESTLING

SPONSORSHIP OPPORUNITIES

ANARCHY AT THE ARENA

OCTOBER 1, 2022

ABOUT THE EVENT

For over 11 years, Pure Power Wrestling has been the leader in producing professional wrestling events in Southern Alberta, and Southeast British Columbia.

Bringing together the best up-and-coming talents from our area, internationally acclaimed stars and wrestlers formerly of major global companies allows PPW to put on events like no other. PPW has set the standard of what professional wrestling should be in Alberta — a standard that is often attempted, but never matched.

On Saturday, October 1, Pure Power Wrestling will take the next step to put Alberta Wrestling on the map by bringing our brand of pro wrestling action to the ENMAX Centre.

Not since the days of Stampede Wrestling have independent events of this magnitude been held in Alberta.

With more than 1,200 fans anticipated, this event will be the largest independently produced wrestling event ever held in in Lethbridge.

This is your opportunity to promote your business to the loyal, rabid professional wrestling fans of Southern Alberta.
